

15-20
minutes is
plenty for
a beginning
reader!

How To Read With A Beginning Reader:

- Encourage your child to use his/her finger to point to each word.
- Read a sentence and have your child repeat it.
- Take turns reading a sentence each or a page each.
- Talk about the story as you read it. What do you think will happen next? What does this story remind you of? How do you think this character feels?
- Don't be afraid to read the same book again! Repeated reading helps build reading fluency!

Check For Understanding

- ✓ Start the book by making predictions. What do you think will happen in this story?
- ✓ Ask questions and make comments during the reading process.
- ✓ After reading a book, have your child tell you the events from the story in the correct order.
- ✓ What was the problem in this story?
- ✓ How did the character feel when...?
- ✓ Encourage your child to make connections. Does this story remind you of another book you read, an event in your life, a movie?
