We are very excited to announce that the South Umpqua School District's Athletic Department has partnered with FinalForms, an online forms and data management service. FinalForms allows you to complete and sign athletic participation forms for your students. The most exciting news is that FinalForms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populate information wherever possible, for each of your students, saving you time.

You may review your data at any time to verify it is current. You will be required to sign your forms once per year and after any update.

Click on the Parent Playbook (attached) to get started in FinalForms. If you require any support during the process, scroll to the page bottom and click "Get Help".

We are asking the parents/guardians of all students planning to play sports to create accounts in FinalForms and register your student(s).

Please register at: <https://susd-or.finalforms.com/> and follow the prompts to create your account, create your students and sign your forms. Please remember when creating an account, a confirmation email will be sent to your email from FinalForms to register your athletes and continue your FinalForms setup.

If your students' physical form is on file at the high school, we will upload their form for you. All we need you to do is to register your athlete/s and confirm which sport they will be playing on the app.

Thank you for your assistance in streamlining our paperwork processes at SUSD.
