

# Middle School Success Skills Rubric

---

| 4-Point Scale

Level	Description
<b>Always</b>	I take responsibility for my actions, stay organized, manage my time well, and get my work turned in when I should. I control my emotions, show respect, and work well with others. I ask questions, solve problems, and keep trying even when things are tough. I reflect on my work and learn from mistakes.
<b>Usually</b>	I am responsible and organized most of the time. I usually get my work done and turn it in. I manage my emotions and behavior in most situations. I usually respect others and work well in groups. I usually ask questions, try to solve problems, and keep going even when things are a little hard.
<b>Sometimes</b>	I need reminders to stay organized or manage my time. I sometimes don't finish my work and sometimes don't even turn it in. I sometimes have trouble controlling my emotions or behavior. When I work with others I may not always show respect. I sometimes give up when things are challenging or wait for help instead of trying on my own.
<b>Rarely</b>	I often forget to stay organized or finish my work. If I do turn in my work, it is late. I struggle to manage my emotions and behavior. I rarely show respect or work well with others. I give up quickly when faced with challenges and avoid reflecting or learning from mistakes.
