

Sutherlin Throwdown Scholarship

The Sutherlin Throwdown Scholarship exists to support individuals pursuing a career in the trades. We understand that these careers are valuable and they provide essential services for which there will always be a need. We value individuals who have shown a strong work ethic and determination to fulfill their goals. This scholarship will assist the recipient(s) on their career path by providing financial assistance toward technical schooling, trade school, or apprenticeship programs.

The Sutherlin Throwdown's total budget for awarding scholarships for the 2024-25 school year is \$20,000. Eligible applicants must meet the following criteria: be a resident of Douglas County, have completed an application, and be committed to attending technical/trade/apprenticeship schooling or training in the 2024/25 academic year.

Name _____ DOB _____
