

Made for Trades Scholarship Application

The Made for Trades Scholarship exists to support individuals pursuing a career in the trades. We understand that these careers are valuable and they provide essential services for which there will always be a need. We value individuals who have shown a strong work ethic and determination to fulfill their goals. This scholarship will assist the recipient(s) on their career path by providing financial assistance towards technical schooling, trade school, or apprenticeship programs.

Eligible applicants must meet the following criteria: be a resident of Douglas County, have completed an application, and be committed to attending technical/trade/apprenticeship schooling or training in the 2026/27 academic year.

Applicant Information:

Name_____DOB_____

Address_____

Mailing if different from above_____

City_____State_____ZIP_____

Email_____

Phone_____

Please attach the following in this order:

1. Completed applicant information page.
2. Most recent transcript from high school or college.
3. High school students must include a student resume or activities chart.
4. Letter of acceptance from college/trade school with a career selected within an approved trade career field (electrical, plumbing, welding, fire/EMT, construction, medical science trades). Or a letter of intent to enrollment from an accepted apprenticeship program.
5. Essay question, no more than 500 words. What are your future plans and what have you personally done to work toward your goals?
6. Essay question, no more than 500 words. What or who has inspired you to pursue a career in trades?
7. Three letters of recommendation from non-family members.

Please list three other non-family references that we may contact who know of your accomplishments and personal integrity, other than those who have submitted a letter of recommendation.
