CONSENT FOR School Based Telehealth Services

I, the parent/guardian of said student, give consent for my child to receive services from Evergreen Family Medicine. I understand that this consent form will be good until my child leaves/ graduates school or until I provide the Center staff with written directions otherwise.

All healthcare information is confidential. By signing the consent form you are giving Evergreen Family Medicine, school nurse and your child's regular doctor (if applicable) permission to communicate and share medical information regarding your child's medical condition on an as needed basis with the understanding that this information will continue to be treated in a confidential manner. No student will be denied access to health care services due to inability to pay. As in any health center, there may be a charge depending on the service provided. When available, insurance or Medicaid will be billed. The health center may release information regarding treatment to third party payors for billing purposes.

Confidentiality between the student, parents and the health center is assured. By law, some information requires the student's signed consent prior to disclosure to anyone, including parents/guardians. The staff will encourage every student to involve his/her parent/guardian in health care decisions. I am the legal guardian of the above named child. I understand that if guardianship changes a new consent must be signed by the legal guardian. I also understand that by providing an alternative contact, if I cannot be reached, medical information regarding the above named child will be shared between the medical provider and the alternative contact.
